Participation of Volunteers and Students Policy

Quality Area: 4: Staffing arrangements
Standard: 4.1: Staffing arrangements enhance children’s learning and development and ensure their safety and wellbeing
Element: 4.1.1: Educator-to-child ratios and qualification requirements are maintained at all times

Purpose

This policy will provide guidelines for the engagement and participation of volunteers and students at Ellie V Pullin Preschool, while ensuring that children’s health, safety and wellbeing is protected at all times.

Policy Statement

1. Values

Ellie V Pullin Preschool is committed to:
- supporting connections with educational institutions to provide opportunities for students to undertake practicum placements as part of their studies
- building relationships with community members and providing suitable opportunities to engage volunteers to contribute to the programs and activities of Ellie V Pullin Preschool
- ensuring the health, safety and wellbeing of each child at Ellie V Pullin Preschool through consistent compliance with this policy and procedures when engaging volunteers and students.

2. Scope

This policy applies to Ellie V Pullin Preschool, Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Ellie V Pullin Preschool.

3. Background and Legislation

Background

Volunteers and students may participate in programs and activities at Ellie V Pullin Preschool from time to time in order to observe and experience the provision of centre-
based education and care. This will be encouraged and facilitated by Ellie V Pullin Preschool wherever appropriate and possible.

Ellie V Pullin Preschool values the participation of parents/guardians and other family members, and the voluntary contribution they make to the education and care of their own and other children. “In genuine partnerships families and educators value each other’s knowledge and roles, communicate freely and respectfully and engage in shared decision making” (Early Years Learning Framework). Ellie V Pullin Preschool aims to provide a range of opportunities for family members, volunteers and students to participate in programs and activities while adhering to clear guidelines regarding appropriate interactions and communication with staff, and other adults and children at Ellie V Pullin Preschool (refer to Code of Conduct Policy).

Volunteers and students can expect:
- a safe and well-managed workplace
- meaningful work experience with appropriate direction, supervision and training
- recognition for their contribution.

The role that volunteers play in children’s services varies and can include working with groups of children, preparing materials or food, assisting with administrative tasks or working one-on-one with individual children. The children's service is responsible for ensuring that volunteers are suitable to work with children, and that children’s health, safety and wellbeing is protected at all times.

Prior to participation at Ellie V Pullin Preschool, a volunteer (aged 18 years or over) must be in possession of a Working with Children (WWC) Check card, unless they are under the direct supervision of an educator who is over 18 years of age and holds, or is actively working towards, an approved diploma-level education and care qualification (Regulation 358) (refer to Staffing Policy).

Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

Volunteers must not be asked to perform tasks:
- that they are untrained, unqualified or too inexperienced to undertake
- that put the children or themselves in a vulnerable or potentially unsafe situation
- where there is a conflict of interest.

Prior to commencing work at Ellie V Pullin Preschool, all volunteers should be interviewed to ascertain their suitability for, and interest in, the tasks they will be undertaking, and to assess whether the volunteer’s goals can be achieved. The interview process also provides an opportunity for volunteers to have their questions answered. Reference checks must be undertaken by Ellie V Pullin Preschool or a nominee of Ellie V Pullin Preschool, to confirm work abilities or character attributes. Good practice in volunteer management includes acknowledgement and recognition of volunteer contributions, and this can involve a mixture of formal and informal recognition strategies.

It is a requirement under the Education and Care Services National Regulations 2011 that Ellie V Pullin Preschool uses the staff record to document the details of all students and volunteers. The staff record must include the full name, address and date of birth of each

Participation of Volunteers and Students Policy
Ellie V Pullin Pre-School of a centre-based service must also keep a record for each day on which the student or volunteer participates at Ellie V Pullin Preschool, including the date and the hours of participation. In addition to this, it is recommended that students and volunteers undertake an induction to Ellie V Pullin Preschool and complete an induction checklist (refer to Attachment 1), which should also be stored with the staff record.

4. Definitions

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Conflict of interest:** (In relation to this policy) refers to an interest that may affect, or may appear reasonably likely to affect, the judgement or conduct of the volunteer, or may impair their independence or loyalty to Ellie V Pullin Preschool. A conflict of interest can arise from avoiding personal losses as well as gaining personal advantage, whether financial or otherwise, and may not only involve the volunteer, but also their relatives, friends or business associates.

**Student:** A person undertaking a practicum placement as part of a recognised early childhood qualification. This student will be supported by an educational institution in the completion of their placement.

**Volunteer:** A person who willingly undertakes defined activities to support the education and care programs at a children’s service in an unpaid or honorary capacity. These activities may include direct contact with children, administrative tasks, or preparing materials or food.

**Working directly with children:** For the purposes of the National Regulations, working directly with children is defined as being physically present with children and directly engaged in providing them with education and/or care.

The Department of Justice assesses a person’s suitability to work with children by examining relevant serious sexual, physical and drug offences in a person’s national criminal history and,
where appropriate, their professional history. A WWC Check card, notice or document (valid for five years), is granted to a person under working with children legislation if:

- they have been assessed as suitable to work with children
